West Greenwich RI 02817**

This course provides the necessary basic code administration and enforcement training for those individuals who are currently working in the field or may be interested in working as a Building Inspector. Candidates for the course must have experience in the construction/ inspection field to benefit from the course. State Building Code law requires attendance and successful completion of course requirements for local officials to be certified by the Building Codes Standards Committee.

Please call John Leyden (401) 889-5484 or e-mail [john.leyden@doa.ri.gov](mailto:john.leyden@doa.ri.gov)

**To receive registration materials. Pre-registration is required.**

**NO walk-ins will be accepted.**

Payment is due in full at the time of pre-registration. This is a graded, non- credit course.

**THIS COURSE WILL BE HELD AT: Quonset Development Corporation 95 Cripe Street North Kingstown, RI 02852**
